Mission Statement

The mission of the Bartlett Fire Protection District is to preserve lives and property in our community by providing services directed at the prevention of fire, accidents and other emergencies while maintaining the highest standards of professionalism, efficiency and effectiveness.

Letter from the Chief

It is my honor and pleasure that I present the 2017 Annual Report to the citizens of the Bartlett Fire Protection District. The leadership of the Board of Trustees and the dedicated, passionate work of our personnel serve as the foundation on which this report is presented.

The underlying goal of the Bartlett Fire Protection District is to position our organization as a leader in the region in the delivery of emergency services. In our organization, we function as an open, inclusive, and caring team of professionals that places the utmost importance on the residents we serve. We truly want to make a difference to the residents and in the community that we serve.

We work hard in the Bartlett Fire Protection District to provide high quality services. We dedicate ourselves and have a strong desire to continuously improve and be a part of an organization that is focused on high level performance. We pay a great deal of attention to customer service, cost efficiency, and emergency scene performance.

It is my hope that you enjoy reading and find value in this report. Please know that the Bartlett Fire District is your Fire District and we are here to serve you in a professional and caring manner. I sincerely welcome your thoughts, questions, and comments by telephone at 630-837-3701 or by a personal visit to my office as well.

Michael W. Falese
Fire Chief
Bartlett Fire Protection District

2017 Accomplishments

- Replaced several lengths of Large Diameter Hose
- Replaced computer work stations which had reached end of useful life
- Began replacement of EMS narcotic vaults to upgrade failing equipment
- Purchased ten (10) new sets of firefighting gear to replace expired gear
- Purchased and placed in service four (4) fire inspection iPads
- Purchased and placed in service two (2) EMS I-pads
- Purchased and placed in service a 2017 Ford F-450 ambulance

- Purchased and placed in service a 2017 Ford Expedition Battalion car
- Purchased and placed in service a 2017 Ford Explorer staff car
- Completed the 2016 Annual Report
- Completed station 1 apparatus floor resurfacing and painting project
- Completed station 1 conference room technology upgrades
- Completed PSIN station monitor project

*Miscellaneous incidents include: lockouts, hazardous materials spills, power lines down, water problems, false alarms, invalid assists, unauthorized burning, sprinkler activations, system malfunctions, carbon monoxide detector activations, etc.
Beginning in 2010, the Bartlett Fire Protection District worked alongside the Pink Heals Tour to raise money for people within the community. In 2013, the Bartlett Fire Protection District hosted its first annual Pink Heals Fest. The fest turned into an annual tradition that grew steadily over the years.

In 2017, Bartlett Firefighters built upon that success with the creation of their own charity, Ignite the Courage. Ignite the Courage is an Illinois not-for-profit, 501(c)3 charity organization.

Ignite the Courage was created by Bartlett firefighters to provide resources and inspiration to the community and its members. The goal of Ignite the Courage is not to focus on one disease but rather any disease, ailment or significant tragedy that an individual or family may face. Firefighters see firsthand the struggles people face on a regular basis. Understanding that these struggles weigh heavy on the people that endure them, Ignite the Courage strives to be there to help encourage everyone to keep fighting, don’t lose hope and never give up.

Ignite the Courage has maintained the tradition of the fest by hosting the Bartlett Summer Festival. The fest takes place the second weekend of August and is located at Bartlett Park. The summer festival has entertainment for the whole family including live music, food trucks, a car show, crafts and many kids’ activities. In its first year, the summer festival raised over $16,000 in 2017 for people in need throughout the Bartlett community.
Meet the Firefighters

The Bartlett Fire Protection District strives to create a comprehensive and balanced approach to training that meets or exceeds federal, state, and local regulations. The training division works to comply with industry standards and meet the needs of the fire district and the critical needs of the residents. The Bartlett Fire Protection District recognizes training as the cornerstone of the fire service and has strived to provide adequate, applicable, and realistic training to its members.

Last year’s training included specialized training related to fire suppression, EMS, professional development, hazardous materials, technical rescue, and various other safety topics. In addition, members of the fire district participated in auto aid training with neighboring fire departments, automobile extrication, truck company and rural water supply operations. The members of the fire district have put in over 10,000 hours of training within the organization and countless hours at schools and conventions.

Lieutenant/Paramedic Brian Corn

Lieutenant/Paramedic Brian Corn began his career in the fire service in January 1992 when he was hired full time with the Bartlett Fire District. Within his first year of employment he attained certification as Firefighter II, Hazmat first responder, fire apparatus engineer, and Emergency Medical Technician - Basic. Lieutenant Corn was certified as a Paramedic in 1995. He has taken several other courses in his career and is also a certified fire officer I.

Lieutenant Corn was drawn to the fire service because he enjoys helping people. He stated that he is very grateful to be in a position where he can serve the citizens of Bartlett. Lieutenant Corn said he especially enjoys that the fire service is different every day and not knowing what challenges he will face while on duty.

Lieutenant Corn is responsible for the department’s breathing apparatus. Self-Contained Breathing Apparatus (SCBA) are a crucial piece of safety equipment for firefighters. Lieutenant Corn is tasked with ensuring the department’s SCBA are in top working order at all times. He stated “I like this duty because it is vital to the health and safety of all the members of the department.”

In his off duty time Lieutenant Corn said he enjoys outdoor activities, especially fishing. He also has a hobby of collecting old pocket knives. Brian and his wife Christine have 2 children and currently lives in Kirkland.

Battalion Chief Ralph Defreece

Battalion Chief Ralph Defreece began his fire service career as a paid on call Firefighter with the Carol Stream Fire Protection District in September of 1988. He completed the fire academy in December of 1988. Ralph was hired full time in Bartlett on January 15, 1992, as one of the original 7 full time Firefighters. He has obtained certification as Firefighter II & III, Fire engineer, Fire Officer I & II, EMT-B, Paramedic, Fire Investigator. He also has an Associate’s Degree from the College of Dupage in Business Management.

Ralph said he initially started in the fire service with the thought to give back to the community that he lived in while remaining employed in the private sector. Ralph went on to say that as he became more involved with the fire service he saw the teamwork and camaraderie and the way the fire department helped the community. It was at that point that he decided to change directions and pursue a career as a fulltime firefighter.

During Ralph’s years of service with Bartlett he has served two terms as a Union Board member, and three terms as Pension Board President. He has also assisted in securing over 1.5 million dollars in grant funds. In addition he has served as the fire district’s liability insurance representative for over 10 years, purchased facility supplies, and currently manages the Building and Grounds division.

When not working, He enjoys traveling and camping, the Black Hawks, and of course the White Sox. Go Sox!
Close the Door Campaign

Fire is Getting Faster
Because of synthetics, materials, insulation and construction, fire spreads faster than ever before.

17 MINUTES
About how much time you had to escape a fire 65 years ago.

3 MINUTES
About how much time you have now.

The Difference a Door Makes
In tests, a closed door makes a potentially life-saving difference in a fire.

CLOSED DOOR ROOM
• More Sustainable Indies > 300%
• 46% for people of color
• 61% for Carbon Monoxide levels > 100 PPM
• 99.5% for Carbon Monoxide levels < 100 PPM

OPENED DOOR ROOM
• Indoors Sustainable Indies > 300%
• 46% for people of color
• 61% for Carbon Monoxide levels > 100 PPM
• 99.5% for Carbon Monoxide levels < 100 PPM

Close your bedroom door at night
About 60% of American adults sleep from 11:00 pm to 7:00 am, when most people are asleep. The bedroom door is a barrier that could save your life.

Don’t Forget the Front Door!
Remember where the bedroom is at night. Close the door before you hit the hay, help keep you safe.

1,000°
100°

MAKE A 900 DEGREE DIFFERENCE
During a fire, a closed door can mean the difference between 1,000 degrees and 100 degrees.

CARBON MONOXIDE LEVELS: 10,000PPM
VS
CARBON MONOXIDE LEVELS: 1000PPM

TAKE IT DOWN A NOTCH
During a fire, a closed door can keep carbon monoxide levels at 100 PPM versus 10,000 PPM when a door is left open.

50% of house fires happen between 11 pm and 7 am

DOZE SAFELY
Closing doors before you hit the hay helps keep you safe.

**GFOA**

The Bartlett Fire Protection District is proud to announce that it has received a very distinguished award for the seventh year in a row.

The “Achievement for Excellence in Financial Reporting Award” has been presented to the District annually since 2010 by the Government Finance Officers Association. This award recognizes government agencies that go above and beyond the minimum requirements of generally accepted governmental accounting principles. According to the Government Finance Officers Association, “Due to the rigor of financial management required, only a few Illinois Fire Districts have been presented this prestigious award. This award recognizes well organized financial spending, which benefits the community.”
SPECIAL RECOGNITION

Lieutenant Richard Gustafson - Promotion

On June 26, 2017 Richard Gustafson was promoted to the rank of Lieutenant. Richard was hired with Bartlett Fire Protection District on September 11, 2006. Lieutenant Gustafson began his fire service career at Hampshire Fire Department in June 2000. He also worked with West Dundee Fire department from 2004-2009. Lieutenant Gustafson serves as the fire district’s fire equipment coordinator. In this role he oversees various equipment that is carried on the fire vehicles. Lieutenant Gustafson also is responsible for maintaining the fire district’s foreign fire insurance tax board. Both of these roles are of vital importance for the effective daily operation of the fire district. In addition, Richard is also a member of the fire district’s foreign fire insurance tax board. In this role, he serves as the purchase coordinator, ensuring that all approved FFB purchases are carried out in a timely and accurate manner.

Assistant Chief Michael Figolah - Retirement

Assistant Chief Michael Figolah retired on April 28, 2017 after 41 years in the fire service. Assistant Chief Figolah began his career in the fire service in 1976 with the East Dundee Fire District. He also served the West Dundee Fire District from 1978 - 1987. He was hired fulltime by the Mount Prospect Fire Department in 1984 and retired as Chief in 2010. Mike was hired by Bartlett Fire District in 2010 and served as Assistant Chief of Operations. Assistant Chief Figolah had a very long and distinguished career in the fire service and was a tremendous asset at Bartlett Fire District. During his time at Bartlett he had a significant impact on the culture and the atmosphere within the organization. Mike assisted the district in any area where a need existed and took on many construction related projects in addition to his regular administrative duties. Assistant Chief Figolah will undoubtedly be missed by the members of the fire district. For his years of service and dedication to fire safety, we remain forever grateful.

Assistant Chief William Gabrenya - Appointed

After serving in the United States Marine Corps, Assistant Chief Gabrenya started his fire service careen in June 1992. Hired by former Fire Chief Elmer Hecht, Assistant Chief Gabrenya worked as a paid-on-call firefighter with the Bartlett Fire Protection District before being hired fulltime by the Village of Palatine in August 1995. Assistant Chief Gabrenya remained a paid-on-call firefighter with the Bartlett Fire Protection District until 2008. In Palatine, Assistant Chief Gabrenya was promoted to Lieutenant in 2005, Captain in 2008, Battalion Chief in 2010, and Deputy Chief in 2012. Assistant Chief Gabrenya directed the operations of the department from 2012 to 2015 and then went on to direct the administration of the department from 2015 to 2017. In April of 2017, Assistant Chief Gabrenya was hired by the Bartlett Fire District to fill Assistant Chief Figolah’s vacancy. Assistant Chief Gabrenya earned a Bachelor of Science from Southern Illinois University in Fire Science Management and is currently finishing his Masters in Public Administration; Local Government and Leadership from Northern Illinois University. Assistant Chief Gabrenya is also currently enrolled in the United States Fire Administration Executive Fire Officer Program. The 4-year Program provides senior fire officers with a broad perspective on various facets of fire and emergency services administration. The courses and accompanying research examine how to exercise leadership when dealing with difficult or unique problems within communities. Assistant Chief Gabrenya has earned his Chief Fire Officer with the Illinois State Fire Marshal and is one of 1,200 accredited Chief Fire Officers worldwide from the Commission on Fire Accreditation International. Assistant Chief Gabrenya is a member of the International Fire Chiefs Association, Illinois Fire Chiefs Association, Illinois Public Employee Labor Relations Association, Illinois City/County Management Association, and Bartlett Chamber of Commerce. Outside of work, Assistant Chief Gabrenya enjoys fishing, camping, and spending time with family.

Firefighter David Bartelt - Appointed

Firefighter/Paramedic David Bartelt was hired fulltime on October 23, 2017. Currently, he resides in Sycamore, IL with his wife Jayna and their son Crewe and daughter Camdyn. Originally from Polo, IL, he joined the Marine Corps just prior to the September 11th terror attacks. He moved to Dekalb County in 2005 following a Middle Eastern deployment and would later be honorably discharged in 2008. David attended NIU and earned a bachelor’s degree in Kinesiology and became a licensed athletic trainer. He worked several years providing medical coverage for local sporting events and ten years at an orthopedic clinic as a surgical assistant. At age 32 he became a paid on call firefighter in Sycamore. Shortly after, he attended paramedic school at Kishwaukee College.

Anniversaries, Awards and Recognitions

Lieutenant Dana Costa Rica - Retirement

Lieutenant Dana Costa Rica retired on July 29, 2017 after 40 years of service with the Bartlett Fire District. Lieutenant Costa Rica began his career at Bartlett in 1977 as a paid on call firefighter. He then served at the Addison Fire District from 1986-1992 and the Pleasantview Fire District from 1978 to 1982. Lieutenant Costa Rica also served from 1977 as a paid on call firefighter. In 1996, he was hired full time at Bartlett Fire and served as a firefighter and paramedic until 2007 when he was promoted to the rank of Lieutenant. Lieutenant Costa Rica served in several important positions throughout his career including, as a pension board member and a union board member. In addition, Dana was responsible for all of the tools and appliances that were placed on fire district apparatus. Dana had a unique combination of passion and care for the district. There was never a doubt that Dana cared for the Bartlett Fire District.

Assistant Chief Gabrenya began his fire service career at Hampshire Fire Department in June 1995. Assistant Chief Gabrenya started his fire service career in June 1992. Hired by former Fire Chief Elmer Hecht, Assistant Chief Gabrenya worked as a paid-on-call firefighter with the Bartlett Fire Protection District before being hired fulltime by the Village of Palatine in August 1995. Assistant Chief Gabrenya was promoted to Lieutenant in 2005, Captain in 2008, Battalion Chief in 2010, and Deputy Chief in 2012.
